Dear Parents, Carers & Families,

We here at the YMCA OSHC understand that there are some families that commence work prior to our 7am opening time at Shoal Bay YMCA OSHC.

In order for OSHC to open at **6:30am** we have to have minimum number of children each morning booked in, Therefore we have put together this expression of interest form and please ask that you tick the below cut off area and hand it back to either your child’s teacher or in the school hall to one of the YMCA staff.

We have also put together an expression of interest for the Holiday Adventure (Vacation Care) to be held at Shoal Bay Public School during the term holidays as at the moment it is joined with Tomree Public School and is held at Tomaree Public School. We do need a minimum number of students enrolled each day for this program.

If you think you would use the Holiday Adventure program during the holidays if it were to be held at Shoal Bay Public School can you please sign, tick the box and fill in the amount of days you may require during the holidays.

This information will be subject to privacy and will be submitted to the YMCA OSHC Area Manager for review and consideration.

Thank you for time and support.

Shoal Bay YMCA OSHC

Felicity - Centre Coordinator

I would be interested in using your Before School Care service if it opened at 6:30am.

How many mornings per week would you use this service?

I would be interested in using the Holiday Adventure (Vacation Care) service if it were held at Shoal Bay Public School.

How many days per week would you use this service?

**Please hand the tear off section no later than Thursday 23rd February 2012.**
