Holiday Splash is the YMCA’s Holiday intensive swimming program.

Intensive Swimming programs are a wonderful way of fast-tracking a child’s development and provide a healthy structured activity for them during the school holidays.

This a great opportunity to improve your child’s swimming skills over the spring period.

**Benefits to your child include:**
- Physical, Intellectual + Personal Development
- Classes catering for all abilities
- Swimming + water safety life skill development

All YMCA Learn to Swim Teachers are trained professionals holding current Austswim or Swim Australia qualifications.
